No. Ct: 65-2-67 Dated Bangalore the 8th 1883

Petitioners claim the
recognition of hereditary succession
to Shanbogueship which
descended unbroken for
seven generations and
in whose favor Case the claims
of widows in the absence of
nearer heirs have been ad-
mitted and they
have been allowed to
appoint their servants
for the discharge of the Shanbogue
duties: instances are cited
wherein servants appointed by
Government have been
directed to fill vacancies
occasioned

for the widows, and considering the hereditary nature of the office the Deputy is unwilling to reject the petitioners claims altogether.

In this particular instance now before him, the Deputy states that the present Shanbogue is a entire stranger to the family and has been in office from 1881 and it will not be a hardship if his selection is set aside and a fresh appointment made in favor of one of the petitioners in which case the minors may be called upon to appoint a competent servant.

Letter No. 642 of the 29th March 1883 from the Deputy Commissioner of the Tumkúr District reporting upon the petition of Subbamma, widow of the Haldar Shanbhog of Bommenahalli and 4 other villages of the late Bidihal Taluk, complaining of the appointment of a stranger to the shanbhogship.

No. 659-67—11, DATED 8TH MAY 1883.

ORDER THEREON.—The rule prohibiting the recognition of widows' claims to succeed to the Shanbhog office of their deceased husbands has not been generally enforced, and in more than one case the claims of widows in the absence of nearer heirs have been admitted and they have been allowed to appoint their Gumastas for the discharge of the Shanbhog duties: instances are not wanting in which Gumastas appointed by Government have been directed to find maintenance for the widows, and considering the hereditary nature of the office the Dewan is unwilling to reject the claims of the widows altogether.

2. In the particular instance now before him, the Dewan observes that the present Shanbhog is an entire stranger to the family and has been in office from 1881 and it will not be a hardship if he is called upon either to find a proper maintenance for the widow or give up office altogether in which case the widow may be called upon to appoint a competent Gumasta.
